

Certificate

I undersigned, Etienne VERRIER, certify that

UDDIN Md Mesbah

attended the EGS-ABG Research School, which took place in Paris (France), May 28 - June 1, 2018 in association with AgroParisTech (APT), and ABIES Graduate School.

The Research School included, for a full week, the following activities: (i) scientific conferences, (ii) technical conferences and open discussion, (iii) personal and group works on interaction between science and society, (iv) a guided tour.

The course accounts for 2 ECTS credits. The above candidate actively participated to the course and, then, was awarded 2 credits.

On behalf of the EGS-ABG Consortium
Etienne VERRIER
AgroParisTech representative

The EGS-ABG Research School 2018 was organized in association with AgroParisTech and ABIES Graduate School
